Dear brethren at Buford,

We thank God for these receptive and penitent individuals! We are proud of the tireless efforts of our graduates and others who go out each day with one purpose of helping souls get to heaven!

Please continue prayers for evangelists like brother Paul and each one of our graduates who constantly receive threats and undergo intense persecution for preaching the Gospel!

Ultimately the power is in the Word and when it reaches good hearts, and what you witness is this kind of results!

Thank You very much for partnering with the church in India to help many millions an opportunity to get to heaven! You are a tremendous blessing to souls in India!

Yours in Christ,

Mani

August 2018

Dear brethren at Buford,

Praying that all is well with all of y'all!

Here are the Thirty Three Hindus who turned to the Lord to wash away their sins and secure their salvation!

Today in India the brethren witnessed the planting of the 50th congregation in 2018.

Our brother Paul who was mauled by radicals in the past has been receiving threats from various groups!

Yours in Christ,

Mani

Brethren, today there were three large groups of 97 in total have been baptized into Christ in various villages but at one village radicals surrounded them at the river and there was an altercation. Nobody got seriously hurt. We are thankful for that.

Thankful for your prayers!

Mani

Dear brethren at Buford,

93 WOMEN and 55 MEN: Exhausting, Exciting and Eternally Enriching Event!

Brother Paul was the one who was mauled few months back for preaching the Gospel! If you remember, with a broken arm he baptized around three dozen souls who came to visit him while down on a hospital bed.

And here he is back at it again baptizing 148 souls for the remission of sins! Please pray for him and all of our students who are preaching the Gospel irrespective of the intense persecution and other earthly circumstances!

Waging war on Satan is not easy but we are presented with no other option to snatch these souls out of his bonds!!! Thanks for being a part of this!

Yours in Christ,

Mani P.S: - Please excuse me for attaching just a few of the photos but I posted all of the photos on the Facebook! I just could not attach all of them in this email!
